Dubai is a great city. We’re focused on making it greater, and we’ve made a good start. Our destinations, neighbourhoods and attractions have elevated Dubai’s status among global cities – as one of the world’s most desirable places to live, work and play. But we’re not done there. Our journey from a developer to a connector is enabling us to diversify operations and expertise into a growing number of sectors, from retail to food, leisure, entertainment and hospitality.

We’ve worked with some of the brightest minds in the business for over a decade to create a lifestyle that appeals to a global audience and a city that people want to be a part of for generations to come. By contributing to an urban culture where the next generation of ideas led by businesses, start-ups, small and medium entities and entrepreneurs can take root, our destinations and attractions welcome millions of visitors.
We design and connect diverse places for an active urban life

We've done amazing things to make Dubai a better place to live, work and visit

Transforming the city into a creative, dynamic and open place
City Walk, the urban lifestyle destination by Meraas, is a popular family-friendly neighbourhood with a sophisticated ambiance and a unique mix of residences, high-end retail, dining, entertainment, hospitality and grooming options.

Hatta is an enclave of Dubai and a popular weekend and staycation getaway for visitors looking to leave the city behind and head for the picturesque mountains, where a cool climate, rugged horizons and untamed natural environment make for the perfect ecotourism adventure destination in Dubai’s most spectacular National Park. The first addition to Hatta, which can be reached in an hour and a half from Dubai, are the giant ‘Hatta’ letters located around 450 metres up in the Hajar Mountains, and the Wadi Hub adventure centre and coaching centre, which represent the new gateway to exploring the area. Other new additions include some of the most unique overnight stays in the region, such as the idyllic Damani Lodge and a first-of-its kind trailers hotel concept called Sedr Trailer, located in the ethereal landscape found at Hatta Reservoir.

Dubai Cruise Terminal

Meraas and Carnival Corporation & plc have entered into a strategic partnership to manage Dubai Cruise Terminal at Dubai Harbour and explore opportunities to enhance the maritime experience for cruise passengers in the region. The two cruise terminals at Dubai Cruise Terminal will have a combined floor area of 300,000 square feet, creating a unique and iconic entry experience to Dubai. The terminals will be positioned along the operations apron which is 1-kilometre long with further extensions planned. Each terminal will be able to accommodate passengers in complete luxury with entertainment, leisure and retail offerings. Both terminals support the logistical needs of homeport operations, from ticketing to baggage handling and duty-free, as well as customs, immigration and all other activities provided by the governing authorities. Thanks to a futuristic infrastructure, Dubai Harbour will be connected through a sophisticated transport network that will transport passengers between the cruise terminals and the hotels, yacht club and airport.
Caesars Bluewaters Dubai

Meraas and Caesars Entertainment Corporation (Nasdaq: CZR) have entered into a strategic partnership to work together to bring two luxury hotels, a conference centre, a beach club and a 500-seat theatre to Meraas destination, Bluewaters.

Located on Dubai’s newest island, Caesars Bluewaters Dubai is the first ever non-gaming resort from the legendary Caesars brand. Unlike anything the Middle East has seen before, guests can expect a truly immersive encounter with a hotel group known around the globe for its fun-fused approach to luxury.
DXB Entertainments

Bluewaters Residences

Bluewaters is a destination with a pioneering spirit, blending island, waterfront living with the exhilaration of the city to create an unrivalled experience for residents and visitors. It is a colourful beacon adorning Dubai’s urban landscape, drawing in those seeking endless lifestyle opportunities.

Located off the coast of Jumeirah Beach Residence opposite ‘The Beach’ Bluewaters is a lively, family-oriented destination with a diverse range of places and experiences that will leave you spoilt for choice.
The island is home to Ain Dubai, the world’s largest observation wheel, and is set to become one of the world’s largest tourism hotspots, complete with distinctive residential, retail, hospitality, and entertainment experiences and concepts. Bluewaters residences comprises 10 apartment buildings, 4 penthouses, and 17 townhouses. Properties offer a range of dimensions and are set over a podium that is aligned to capture stunning views and create a truly unique island experience.

The elegant, mid-rise towers are home to 698 one, two, three and four-bedroom, glass-fronted apartments, penthouses and townhouses, each with one or two parking spaces. Bluewaters offers a premium lifestyle for the whole family, with residential amenities including state-of-the-art gymnasiums, swimming pools, landscaped gardens, basketball courts and children’s play areas.
Bvlgari Residences

Each home at the Bvlgari Residences has been meticulously designed to create efficient living spaces. Bvlgari’s signature style is evident in every detail - whether inside the home, in the common areas or within the wider community.

Designed by Italian architectural firm Antonio Citterio Patricia Viel, The Bvlgari Resort and Residences Dubai is a first-of-its-kind master development in scale and magnitude that aesthetically translates the core values of its two partners – Bvlgari and Meraas.

Overlooking a stunning white sandy beach cove, right on the water’s edge with spectacular views of the Arabian Gulf, Bvlgari Resort juxtaposes modern and conventional architecture to offer a mix of traditional and modern themes that reflect the design and style of the surrounding area.
All 173 apartments and 15 mansions offer magnificent views. While the apartments range from one to three bedrooms and four-bedroom penthouses, the mansions offer a variation of three to six bedrooms. The development offers residents modern, sleek design and well-appointed features that make for unmatched hospitality and luxe living. The spacious interiors exude visual warmth and elegance even as the large glazed windows bring in the verdant freshness of the mesmerising landscape outside.

In addition to common areas such as private landscaped gardens, swimming pools and gymnasiums, residents can enjoy a host of dining and sporting options on site, and benefit from the unmatched service standard of the Bvlgari Resort.
Central Park at City Walk

Central Park at City Walk is a new exclusive residential neighbourhood which will surround a 40,000 sqm private park in the heart of Dubai. As part of its dedication to create mould-breaking, imaginative ways of experiencing city life that inspire an active lifestyle for residents and visitors in sustainably-minded destinations, Meraas’ latest neighbourhood will redefine community living in the emirate.
Spanning a total area of 230,000 sqm, Central Park at City Walk will include 12 terraced mid-rise residential buildings. The residential complex will comprise 187 spacious one- to four-bedroom units that overlook a year-round fertile park, with Dubai’s majestic downtown skyline standing imperiously in the background.

This is where beautiful stories begin and memories are made, filled with friendly gatherings and quality time with family. The contemporary 3-4 bedroom townhouses are more spacious than can be imagined and the interior finishes are best in class, all within a serene environment.
Cherrywoods is a place you never want to leave, and you will not need to, as everything you need is at your doorstep. The exclusive gated community is home to retail and dining experiences, a community centre and an expansive central park.

Cherrywoods is located at the crossroads between Emirates Road and Al Qudra Road, which provides easy access for residents and visitors alike.
City Walk Residences

City Walk is an open, design-inspired lifestyle destination in Dubai, with hundreds of exclusive shops, restaurants and leisure activities set among 34 low-rise residential buildings, tree-lined avenues and a collection of contemporary street art murals.

Spanning an area of more than 10 million square feet, City Walk is a family-friendly hub that seamlessly combines living, shopping, entertainment, hospitality, and wellness options within one integrated space, to offer visitors a unique sense of community and comfort.

City Walk features a residential component that has been designed to offer a community living experience. The development provides residents with easy access to various facilities in the vicinity. The residential space also hosts an array of retail outlets and dining options, landscaped areas, security gates and barriers, as well as a selection of brand new leisure and entertainment concepts.
The residences offer luxury living spaces that can accommodate over 2,500 residents. City Walk’s high-street retail theme also extends into the residential boulevard with a cluster of boutique car showrooms, art and craft galleries, designer home décor boutiques, as well as art and music studios and dining choices from around the world that add to the destination’s distinctive ambience.

City Walk Residences harmoniously combine a mix of diverse units, areas and categories to create a large, welcoming community. Each building offers exclusive views of Dubai.
Port de La Mer Residences

Inspired by the allure of the Mediterranean, Port de La Mer offers more than just a unique marina promenade and easygoing seafront lifestyle. With panoramic views of the open ocean and Dubai skyline, it is truly a one-of-a-kind island retreat within the city. The private residential community comprises a spectacular collection of 1, 2, 3, and 4-bedroom apartments located at the tip of the North Peninsula at La Mer. Residences combine modern architecture and interior design around a private beach and marina, where super yachts bob peacefully to the rhythm of the ocean. Residents enjoy a wide range of amenities close to fashionable boutiques and restaurants, while controlled vehicle access also adds to the appeal of this serene environment.
Residential amenities include large swimming pools, a gym, beach and marina access. Hotels, retail outlets and restaurants, all conveniently nestled along the waterfront, will infuse energy and vitality to life at Port de La Mer. A central podium, bustling piazzas and conveniently located bridges will help knit this picturesque setting together and allow residents to move freely throughout inviting open spaces.

Port de La Mer can be reached by road and sea, meaning residents can take in the spectacular coastline at their leisure, be at one of the city’s famous shopping malls in minutes or be boarding a flight to more than 240 destinations in next to no time. Residences at Port de La Mer are within 10-minutes from La Mer and City Walk, a lifestyle destination by Meraas, with great road links to the city’s two airports.
Nikki Beach Residences

Meraas has partnered with Nikki Beach Hotels & Resorts to bring the brand’s first property in the Middle East to Pearl Jumeira, in Dubai.

Plots
Jebel Ali Hills

Jebel Ali Hills is a residential off-plan land development project by Meraas, offering among the most affordable freehold plots in the market today. The development will be the premier residential community within the wider Jebel Ali area, benefitting from an exceptional environment and open public spaces. Plots comprise of Ground Plus One (G+1) residential and (G+4) residential and mixed use plot options which can be fully customised to suit investor requirements.

Jebel Ali Hills is a mixed-used development in Saih Shuaib, strategically located near Dubai World Central and Dubai Parks and Resorts, and with easy access to Sheikh Zayed Road (E-11). Jebel Ali will also host the upcoming Expo 2020, making Jebel Ali Hills one of the most sought-after investment destination in its class.
Jebel Ali Industrial Development

Located in one of Dubai’s oldest and most prominent industrial districts, Jebel Ali Industrial Development contains quality and affordable plots aimed at catering to the area’s large blue-collar workforce.

With excellent connections to Dubai Investment Park and in close proximity to the Expo 2020 site, this modern and well-planned community is served by an arterial system of roads including Sheikh Mohammed Bin Zayed Road (E-311), with links to Dubai, Abu Dhabi and the northern emirates. Adequate infrastructure utilities have also been provided in this desirable location in the emirate of Dubai.
Jumeira Bay

Jumeira Bay is a six million square foot mixed-use island development by Meraas, sculpted in the shape of a titanic seahorse riding the arcs of sand and rock. With a variety of accommodation and leisure options, including low-rise residential buildings and villas, it is home to the world-famous Bvlgari Resort & Residences, as well as the first-ever Bvlgari Yacht Club.

Set to become the address of choice for homeowners keen to enjoy the luxury of their own private beach on an island replete with great sea views and vistas of Dubai’s impressive skyline, Jumeira Bay features a limited number of plots that are currently available for sale.

Jumeira Bay is located off the coast of Jumeirah Beach Road (D-94) and can be accessed directly via a bridge that has been provided for residents and visitors.
La Mer

La Mer is a world-class beachfront destination that incorporates trendy, minimalist design and features an eclectic mix of casual and fine dining, leisure and entertainment, retail and hospitality experiences, as well as a residential community. The destination is built across five kilometres of pristine white beaches and is flanked by two man-made peninsulas that stretch into the ocean.

La Mer is located in Jumeirah 1, between Jumeira Bay and Pearl Jumeira and in proximity to other Meraas destinations including City Walk and Boxpark, La Mer allows visitors and residents to experience uninterrupted views of the sea and Dubai’s iconic skyline. Major attractions include Laguna Waterpark, Roxy Cinemas, and a collection of local and international restaurants, shops and beach-focused activities.
Nad Al Sheba Gardens

Nad Al Sheba Gardens is a land development project by Meraas, sixteen kilometres from City Walk and close to the Al Ain Road (E-66). Freehold plots are now available on a flexible payment plan, with the option to build Ground Plus One (G+1) and Ground Plus Six (G+6) residential buildings, apartments and villas. Land uses also include retail, community facilities (a masjid, school and hospital), district and neighbourhood parks and open recreation for active and passive recreation.

Nad Al Sheba Gardens is strategically located adjacent to the greater Meydan development and Mohammed Bin Rashid City.
Al Mamzar Front

Al Mamzar Front is a freehold residential villa project with an attractive payment plan and no time limit for construction and permission to build a Ground Plus One (G+1) villa. The plot comes with the additional benefit of having no service charges.

Al Mamzar Front is in a popular residential area on Cairo Road, just minutes from Al Mamzar open beach.

Al Satwa

In line with Meraas’ plans to revitalise Dubai’s bustling Al Satwa area, much of the area has undergone redevelopment. Following its comprehensive facelift, Al Satwa is set to emerge as a medium density, mixed use neighbourhood that features residential apartments, retail spaces, offices, public facilities, hotels and parks. It will continue to house popular landmarks such as Jumma Masjid and other utilities.

Al Satwa development is located within an existing urban fabric parallel to Sheikh Zayed Road in Dubai.
Al Warsan First Redevelopment

Al Warsan First Redevelopment is planned as a mixed-use residential community in the Warsan First Community in Dubai with several plots available. Situated in Dubai International City and adjacent to well-established communities in Al Warqa and Al Khawaneej, the project site is well connected with the existing road network and located adjacent to Dubai’s arterial roads such as Sheikh Mohammed bin Zayed Road (E-311) and Ras Al Khor Road (E-44).
Al Warsan Industrial Plot

Al Warsan Industrial Plot is a freehold building project with land that can be used for accommodation, warehouses, refrigerated warehouses and other commercial purposes. The permitted height for construction is Ground Plus Mezzanine (G+M) for warehouses and refrigerated warehouses, Ground Plus Five (G+5) for housing and Ground Plus One (G+1) for commercial buildings.

Al Warsan Industrial Plot is located on Ras Al Khor Road (E-44) opposite Dubai International City.
Pearl Jumeira

Pearl Jumeira is a reclaimed island within the Arabian Gulf, spanning 8.3 million square feet and overlooking Dubai’s spectacular skyline. Featuring a residential area, a community town center with retail facilities, Masjids, beaches, a waterfront hotel and a unique two kilometer promenade, the island caters to individuals who enjoy staying connected to the city while living away from its hustle. The size, location and exclusivity of Pearl Jumeira make it a unique address in the heart of Dubai's finest residential district.
Dubai Water Canal

The Dubai Water Canal Project, a joint-development between Dubai's Roads and Transport Authority (RTA), Meydan Group and Meraas, is one of the biggest urban transformations in modern times.

The 3.2 km long waterway which cuts through Dubai's main artery, the Sheikh Zayed Road, has reinvented business opportunities with 6.4 km of waterfront space and 80,000 sqm of public space and lifestyle precincts. The Canal winds its way from the Arabian Gulf to Deira Creek in the city's Old Quarter through Business Bay, Safa Park and Jumeirah presenting an opportunity for lifestyle and leisure developers to invest in real estate in this prime location estimated to attract over 30 million visitors a year.
